

Dear Ms. Olivarria,

Greater Mount Olive's Singles Living In Christ Ministry would like to extend our heartfelt gratitude for your Money Management Workshops at GMO's Sankofa! Single Fatherhood event held November 14, 2009 and, again at GMO's Women of Faith and Power event on March 27, 2010. Each event was highly successful, in large part due to your engaging presentation of essential Money Management information, in helping young and old, single married people educate themselves and motivational tips to encourage them to raise their level of awareness in financial matters. In both events the attendees were very interested in learning how to make better Financial choices, from teens to senior citizens, you were able to engage the entire audience with your lively and informative presentation.

With the rising rate of divorce in our society, even in the church, and money being one of the major contributing factors, I would highly recommend your workshops to other Church/Community programs. And, based on word of mouth I speak on behalf of all of us at Greater Mount Olive C.O.G.I.C. when I say that we are eagerly looking forward to working with you once again, in order to delve further into Money Matters that will aid and assist us in making better educated money choices in preparation for a better quality of life.

Once again I would like to personally say Thank You, for offering the wealth of your knowledge regarding Money Management to our church and I most certainly hope to remain in contact with you, so that we can work together in the future. If you should need my recommendation, please do not hesitate to contact me.

Sincerely,

Bro. Tony Bradford
